FAQs

What is the Legacy Brick Drive?

Sponsored by the THS Student Council, it is an effort to beautify the front of Tomball High School and enhance the appearance of the school, inside and out.

Where does the money go?

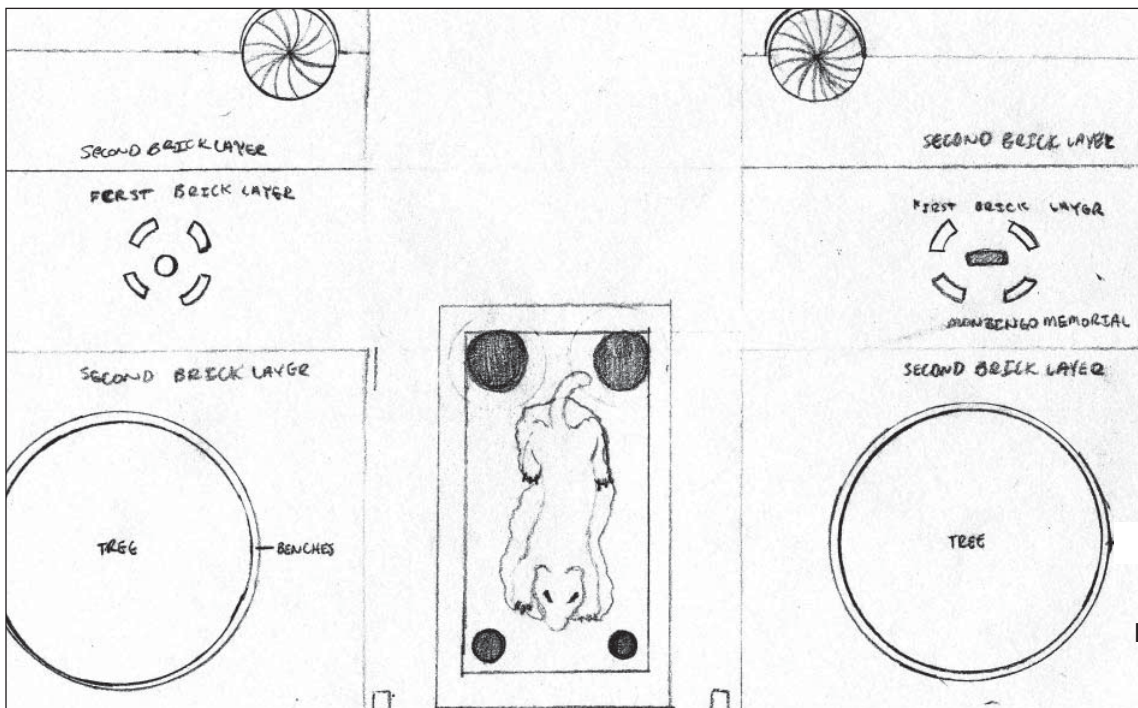

All money raised through brick sales go directly back into the Student Council funds.

Can I buy a brick to advertise my business?

We welcome, and even encourage, the business community to show its support for THS by buying a brick. For years to come, students and faculty will see your company's name and know that you support the efforts of Tomball High School.

So what will the final project look like?

Below is an artist's rendering of the front of the school after the bricks are laid. There will be benches and new plants as well.

The design includes large spiral plants by the front doors, circular openings in the pavers for trees and new plants around the Cougar statue.

Designed by Cooper Cason
Class of 2012

Mail or drop off form and payment to: Billie Ann Dio, THS, 30330 Quinn Road, Tomball, TX 77375 (checks payable to THS Student Council, please do not mail cash)
