

# AP CLASSES

- Students pay for AP end-of-course exam in May, typically \$99 per exam.
- Courses are developed by College Board Open Enrollement
- Colleges that accept AP scores generally require a 3 or higher to apply the credit
- Students must check college/university for credits awarded per AP course exam score
- Students earn TISD Quality points (+15) when they pass each semester

# DC CLASSES

- Must qualify through PSAT scores or a test score to enroll
- Simultaneously earn college credit and high school credit without taking an exam
- Textbook purchase required along with fees paid by semester
- Courses are developed by Lone Star College and TISD
- Must qualify, apply to LSC and meet deadlines to join
- Students earn TISD Quality Points (+15) when they pass each semester
- Need to check with college/university to determine if the credit will transfer to their major
